GENERAL INFORMATION ON AVERAGE ADJUSTED GROSS INCOME – PART A

Individuals or legal entities that receive benefits under most programs administered by CCC cannot have incomes that exceed a certain limit set by law. For entities, both the entity itself, and its members cannot exceed the income limitation. If a member, whether an individual or an entity, of an entity exceeds the limitation, payments to that entity will be commensurately reduced according to that member's direct or indirect ownership share in the entity. (All members of the entity must also submit this form to verify income the limitation is met.)

Adjusted Gross Income is the individual's or legal entity's IRS-reported adjusted gross income consisting of both farm and nonfarm income. A three-year average of that income will be computed for the three years of the relevant base period identified on the first page of this form to determine eligibility for the applicable program year. Unless a specific exception applies, individuals or legal entities with average **adjusted gross income** greater than $900,000 shall be ineligible for all payments and benefits under the commodity, price support, disaster assistance, and conservation programs.

HOW TO DETERMINE ADJUSTED GROSS INCOME (AGI)

Individual – Internal Revenue Service (IRS) Form 1040 filers, specific lines on that form represent the adjusted gross income and the income from farming, ranching, or forestry operations.

Trust or Estate – the adjusted gross income is the total income and charitable contributions reported to IRS.

C-Corporation and Limited Liability Company taxed as a C-Corporation – the adjusted gross income is the total of the final taxable income and any charitable contributions reported to IRS.

Tax-exempt Organization – the adjusted gross income is the unrelated business taxable income excluding any income from non-commercial activities as reported to the IRS.

HOW TO DETERMINE AVERAGE ADJUSTED GROSS INCOME

The period for calculation of the average AGI will be of the three taxable years preceding the most immediately preceding complete taxable year for which benefits are requested. This table shows examples for applicable years to be used in determining average AGI.

IF the crop year is...	**THEN...** Average AGI will be based on the following years....
2023	2021, 2020, and 2019
2024	2022, 2021, and 2020
2025	2023, 2022, and 2021
2026	2024, 2023, and 2022
2027	2025, 2024, and 2023

GENERAL INFORMATION ON CONSENT TO DISCLOSURE OF TAX INFORMATION – PART B

This consent allows IRS's access to, and use of, certain items of return information to perform calculations, using a methodology prescribed by the USDA, that will assist USDA in its verification of a program participant's compliance with the adjusted gross income (AGI) limitations necessary for participation in, and receipt of, commodity, conservation, price support or disaster program benefits. This consent also permits the USDA to receive certain items of return information for its eligibility determination.

This consent authorizes the disclosure of these items of return information for only the specified time period. Each item of information requested on this form is needed for the IRS to (1) locate, and verify, your tax information; (2) perform the requisite Average AGI calculations; and (3) provide the USDA with the legal entity's name and Taxpayer Identification Number (TIN), the type of return from which the specified items were located for use in the calculation, and whether or not the average AGI is above or below eligibility requirements. The IRS will not provide the USDA with any of the items specified on this consent form that it uses to perform the calculations or the average AGI figure.

This form can only be signed by the person authorized under state law to sign this consent for the legal entity identified in Item 2. ***An approved Power of Attorney (Form FSA-211) on file with USDA cannot be used as evidence of signature authority when completing this form.***

Internal Revenue Code, §6103(c), limits disclosure and use of return information received pursuant to the taxpayer's consent and holds the recipient subject to penalties for any unauthorized access, other use, or redisclosure without the taxpayer's express permission or request.

PART J - NOTIFICATIONS, DISCLOSURES & ACKNOWLEDGEMENT

1. SPECIAL PROGRAM INFORMATION:

Certain FSA programs are, by law, designed to reach targeted applicants. If you are interested in any of the programs described here, or have questions about these programs and whether you may qualify for a specific program, the FSA office processing your application will help you.

A. SOCIALLY DISADVANTAGED APPLICANTS: A portion of FSA farm ownership, operating, and conservation loan funds are, by law, targeted to applicants who have been subjected to racial, ethnic or sex prejudice because of their identity as a member of a group, without regard to individual qualities. Under the applicable law, groups meeting this condition are: American Indians/Alaskan Natives, Asians, Blacks or African Americans, Middle Eastern or Northern African, Native Hawaiians/Other Pacific Islanders, Hispanics and women. In addition, FSA has a down payment program, which receives special funding.

B. BEGINNING FARMER ASSISTANCE: FSA has the authority to assist beginning farmers through the farm ownership, operating, and conservation loan programs. A portion of FSA farm ownership, operating, and conservation loan funds are, by law, targeted to beginning farmers. In addition, FSA has a down payment program, which receives special funding. In some states, FSA has agreements with State beginning farmer programs to help meet the credit needs of beginning farmers.

C. LIMITED RESOURCE LOANS: Limited resource farm ownership and operating loans are available to qualified applicants. This program provides loans at reduced interest rates to low-income farmers whose operations and resources are so limited that they cannot pay the regular rates for FSA loans. The program is also intended to provide beginning farmers the opportunity to start a successful farming operation.

2. RIGHTS AND POLICIES:

A. RIGHT TO FINANCIAL PRIVACY ACT OF 1978 (Public Law 95-630): FSA has a right of access to financial records held by financial institutions in connection with providing assistance to you as well as collecting on loans made to you or guaranteed by the Government. Financial records involving your transaction will be available to FSA without further notice or authorization but will not be disclosed or released by this institution to another Government Agency or Department without your consent except as required by law.

B. THE FEDERAL EQUAL CREDIT OPPORTUNITY ACT: Prohibits creditors from discriminating against applicants on the basis of race, color, religion, sex, national origin, marital status, age (provided the applicant has the capacity to enter into a binding contract), because all or a part of the applicant's income derives from any public assistance program, or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act.

C. FEDERAL COLLECTION POLICIES: Delinquencies, defaults, foreclosures and abuses of mortgage loans involving programs of the Federal Government can be costly and detrimental to your credit, now and in the future. The mortgage lender in this transaction, its agents and assigns as well as the Federal Government, its agencies, agents and assigns, are authorized to take any and all of the following actions in the event loan payments become delinquent on the mortgaged loan described in the attached application: (1) Report your name and account information to a credit bureau; (2) Assess additional interest and penalty charges for the period of time that payment is not made; (3) Assess charges to cover additional administrative costs incurred by the Government to service your account; (4) Offset amounts owed to you under other Federal programs; (5) Refer your account to a private attorney, collection agency or mortgage servicing agency to collect the amount due, foreclose the mortgage, sell the property and seek judgment against you for any deficiency; (6) Refer your account to the Department of Justice for litigation; (7) If you are a current or retired Federal employee, take action to offset your salary, or civil service retirement benefits; (8) Refer your debt to the Department of the Treasury for cross-servicing and offset against any amount owed to you by any Federal Agency such as an income tax refund; and (9) Report any resulting written-off debt to the Internal Revenue Service as taxable income. All of these actions can and will be used to recover debts owed to the Federal Government when in its best interests.

3. RESTRICTIONS AND DISCLOSURE OF LOBBYING ACTIVITIES:

A. The applicant:

(1) Certifies that if any funds, by or on behalf of the applicant, have been or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant or Federal loan, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, or loan, the applicant shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

(2) Shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including contracts, subcontracts, and subgrants, under grants and loans) and that all subrecipients shall certify and disclose accordingly.

B. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this statement is a prerequisite for making or entering into this transaction. Any person who fails to file the required statement shall be subject to a civil penalty imposed by 31 U.S.C. 1352.

4. CONTROLLED SUBSTANCES:
The applicant certifies that as an individual, or any member of an entity applicant, has not been convicted under Federal or State law of planting, cultivating, growing, producing, harvesting, or storing a controlled substance within the previous 5 crop years. See the Food Security Act of 1985 (Public Law 99-198). The applicant also certifies that as an individual, or any member of an entity applicant, is not ineligible for Federal benefits based on a conviction for the distribution of controlled substances or any offense involving the possession of a controlled substance under 21 U.S.C. § 862.

8. ECOA - RIGHT TO RECEIVE APPRAISAL:
As part of the assistance provided by FSA, an appraisal report or written real estate valuation may be required to determine the value of the property you intend to pledge as security. If FSA orders an appraisal or completes a written real estate valuation, you will receive a copy at no cost. You will receive a copy at least three business days prior to the closing of your loan or servicing action. On occasion, the three-day waiting period could cause a delay in loan closing. If you so choose, you have a right to waive this waiting period and a copy will be provided to you no later than the time of loan closing.

9. PERMISSION TO FILE FINANCING STATEMENT, ORDER A CREDIT REPORT, AND VERIFY CREDIT INFORMATION:
Under the Uniform Commercial Code, you do not have to sign the financing statement which allows FSA to obtain a security interest in your property. If the loan is approved and funded, FSA will file a financing statement at the earliest possible date, before you enter into a **SECURITY AGREEMENT. BY SIGNING BELOW, I GIVE FSA PERMISSION TO FILE A FINANCING STATEMENT PRIOR TO THE EXECUTION OF THE SECURITY AGREEMENT AS WELL AS TO FILE AMENDMENTS AND CONTINUATIONS OF THE FINANCING STATEMENT THEREAFTER. I FURTHER AUTHORIZE FSA TO ORDER A CREDIT REPORT AND VERIFY ANY OTHER CREDIT INFORMATION. I ALSO UNDERSTAND THAT FINANCIAL RECORDS INVOLVING THE LOAN AND LOAN APPLICATION WILL BE AVAILABLE TO FSA WITHOUT FURTHER NOTICE OR AUTHORIZATION, BUT WILL NOT BE DISCLOSED OR RELEASED BY FSA TO ANOTHER GOVERNMENT AGENCY OR DEPARTMENT OR USED FOR ANOTHER PURPOSE WITHOUT MY CONSENT EXCEPT AS REQUIRED OR PERMITTED BY LAW.**

10. *CERTIFICATION:*
I certify that the information provided is true, complete, and correct to the best of my knowledge and is provided in good faith to obtain a loan. E. NAP Coverage Option:

The Noninsured Crop Disaster Assistance Program (NAP) provides financial assistance to producers of non-insurable crops when a low yield, loss of inventory, or prevented planting occurs due to natural disasters. Non-insurable crops are those not insured by the Federal Crop Insurance Corporation. Eligible crops for NAP are commercially grown for food or fiber (excluding livestock and their by-products), commodities, and industrial crops for which crop insurance, excluding pilot coverage, is not available.

Catastrophic coverage is equal to 50 percent of your expected yield and 55 percent of the expected price for the eligible crop (referred to as Basic 50/55). You are not required to pay a fee or a premium for this level of coverage. Additional coverage options and higher levels of coverage are available with a premium. To avail yourself to these options, you must timely file CCC-471 (NAP Application for Coverage) in any FSA County office.
